

## ***Fan of the Jam Sponsorship Opportunities*** **Whatshan Lake Retreat      July 7–9 2017**

---

You're Invited!

The Whatshan Jam is on the horizon – July 7-9, 2017. Located just over the Needles Ferry on Highway 6 and nestled in the Monashee Mountains, the Whatshan Lake Retreat band shell will host musicians from around the province. We hope to see you on site or we welcome you as a ***Fan of the Jam!***

Funds raised at the Whatshan Jam subsidize programs supporting At Risk people (youth, families, men & women) held at the Whatshan Lake Retreat Centre, year round. Our volunteers are excited to get on site and make things happen, but they cannot do it alone. The success of the event will be greatly enhanced with the help of our business communities.

Campers from all corners of the Province & Alberta will meet with their families to enjoy the festivities. The Jam offers something for everyone, including opportunities for amateur musicians with the open mic on the outdoor stage, Ladies hollering contest, yoga, tours of the gorgeous waterfall, sunflower seed spitting contest, watermelon eating contest, corn hole, kids' playground and games, vendors, the Hippie Hole, and much more good ole' fashioned fun!

We invite you and your family to join us.

Enclosed please find Sponsorship opportunities. With today's economy, we understand the constraints that businesses are under and will graciously accept any and all considerations.

We appreciate and thank-you for your time. Please feel free to contact us at your convenience.

Sincerely,

Lori Woodhouse
