

Whatshan Jam Family and Friends Music Festival

1401 Arowlakes Drive, Castlegar, BC V1N 4H1 Phone: 250.231.1962

Sponsorship Invitation

You are invited!

The Whatshan Jam is on the horizon – July 6 - 8, 2018. Located just over the Needles Ferry on Highway 6 and nestled in the Monashee Mountains, the Whatshan Lake Retreat band shell will host musicians from around the country. We hope to see you on site or we welcome you as a **Fan of the Jam!**

Funds raised at the Whatshan Jam subsidize programs supporting At Risk people (youth, families, men & women) held at the Whatshan Lake Retreat Centre, year-round. Our volunteers are excited to get on site and make things happen, but they cannot do it alone. The success of the event will be greatly enhanced with the help of our business communities.

Campers from all corners of the Province & Canada will meet with their families to enjoy the music and festivities. The Jam offers something for everyone, including opportunities for amateur musicians with the open mic on the outdoor stage, Ladies hollering contest, yoga, learn to paint, sunflower seed spitting contest, watermelon eating contest, horse shoes, kids' playground and games, vendors, walking trails, the Hippie Hole, and much more good ole' fashioned fun!

We invite you and your family to join us.

Enclosed please find Sponsorship opportunities. With today's economy, we understand the constraints that businesses are under and will graciously accept any and all considerations.

We appreciate and thank-you for your time. Please feel free to contact us at your convenience.

Sincerely,

Lori Woodhouse
